WORK ON THE COURSES

Despite the many natural advantages that nature bestowed upon the links at Gullane our green keepers are kept busy all year maintaining and improving the condition of the courses for members and visitors alike. Whereas they strive to be unobtrusive at all times, it is inevitable that occasionally their work may restrict access to part of a course. We aim to minimise the days when disruption is severe, please click on this link to view a list of the planned work on the courses throughout the year.

INFORMATION ON THE COURSES

Golf has been played over the links at Gullane for more than 350 years. Today, Gullane Golf Club is one of Scotland's most prestigious member clubs, mixing the finest tradition with some of the most admired natural links land in the world.

Gullane is blessed with superb turf and a climate that allows all year round golf. Visitors are welcome to play our championship courses which offer dramatic coastal views and a golfing challenge to savour.

Laid out over prime seaside land, the three golf courses are simply known by number reflecting their age.

We have 4 flyovers available to view. Click [here](#) to view a flyover of all the courses. More information on this can be found in the Courses section of the site.

Gullane No. 1 (1884) has a long history of hosting national and international championship golf events, including the 2018 Aberdeen Standard Investments Scottish Open and Ladies Scottish Open, the Aberdeen Asset Management Scottish Open in 2015 as well as Local Final Qualifying for the Open Championship at neighbouring Muirfield.

Gullane No. 2 (1898) was laid out by the legendary Willie Park Jr and has also been used for Open Championship Qualifying as well as the Seniors Open Amateur.

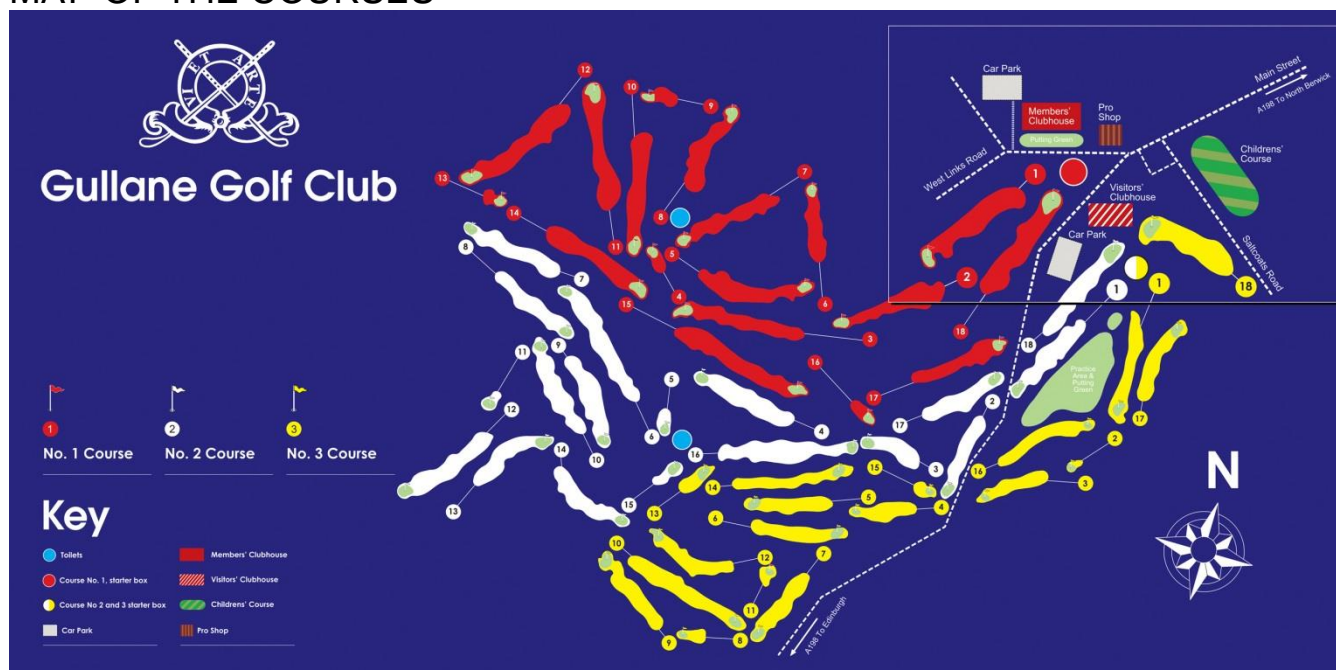

Gullane No. 3 (1910) was also designed by Willie Park Jr. It may be the shortest of the three courses, but it provides a wonderful test based on shot-making skills rather than power.

Gullane offers a unique range of golfing experiences for members and visitors alike, combining a major role in the history of golf in Scotland, great golfing conditions, and a truly spectacular environment.
