

## HOW TO BECOME A MEMBER

To become a member of *Gullane Ladies Golf Club* you must find a Proposer and Seconder who have been members of the club for five years and have known you for three years and not be proposing or seconding anyone else. They should each write a letter of recommendation to the Membership Secretary, in confidence. Letters of support from two other members must also be sent. The application only becomes complete when the Membership Secretary has received the Application Form, which the Proposer should collect from the folder in the Clubhouse, plus the four letters. It is the responsibility of the Proposer to collect the form and the letters.

We have the following categories of membership: Full, Five Day, Country, Overseas, Non Play and Junior. All new members must be full members for one year and if vacancies occur may change after that.
